

REGISTERED LEAGUE SHOOTING RULES

1. Registered league shooting shall be subject to and governed by the Official Trapshooting Rules issued by the Amateur Trapshooting Association. In these rules the word "shoot" and/or "tournament" is intended to include Registered Leagues unless an exception is made for league's within same.
2. In the event of any conflict between registered league shooting rules and any other official rules of the ATA the official ATA rules shall take precedence and shall apply.
3. Registered league shooting shall apply to 16-yard singles targets and **doubles**.
4. To constitute a registered league at least three (3) or more persons must compete and complete a minimum of 250 sixteen-yard singles targets or 250 **doubles** targets during a minimum period of 5 consecutive weeks.
5. The actual number of targets broken and total number of league target shots will be recorded with no consideration given to shooter handicap adjustments.
6. A registered league shooter choosing to register scores must first become either an annual or life member of the Amateur Trapshooting Association.
7. A registered league shooter must pay a one time only \$2.00 league fee for his actual score registration. A portion of this \$2.00 fee shall be rebated to the State Association in the same manner as ATA daily fees.
8. All registered league targets shall be counted toward requirements for the Grand American Championship and for all other ATA registered tournaments.
9. All registered league targets shall be counted for purposes of target attainment accomplishments.
10. Registered league scores and averages shall be listed on a separate line on the ATA average card. Year end registered league averages shall be reported for publication in the Annual Average Book.
11. **Registered League Application procedures:**
 - A. Application for registered league shooting must be made on an application form approved and supplied by the ATA and each form must be fully completed before submission.
 - B. Upon submitting an application, registered league due of \$25.00 and the official league rules and regulations must accompany that application.
 - C. The respective State Association Secretary must have previously approved the application.
 - D. An individual member must indicate his intent to register league scores to the league secretary by proving ATA membership and submitting a \$2.00 League registration fee.
12. **League Secretary follow-up:**
 - A. The ATA league report must be filed, reporting registered targets shot with complete names, addresses, ATA card numbers, accurate scores, membership applications and financial accounting.
 - B. Names and addresses of those paying ATA dues during league activity.
 - C. A check for individual ATA league fees (\$2.00 per member collected during the league).
 - D. This complete report must be mailed 8 days following the last day of the registered league to avoid a \$25.00 late shoot report fine which if not paid will be deducted from the State rebate in which the shoot is held.
 - E. Send the required reports to the State Associations.
